

CALL FOR PAPERS

WECE 2024 -Workshop on Electronics Communication Engineering will be held on October 25-27, 2024 in Wuhan, China.

This conference provides opportunities for the delegates to exchange new ideas and research findings face to face, to establish business or research relations and to find global partners for future collaboration. **WECE is co-organized by Southeast University, China and University of Electronic Science and Technology of China and Wuhan University**

Conference Committee

➤ **Advisory Chair**

Ljiljana Trajkovic, Simon Fraser University, Canada

➤ **Conference Chairs**

Zhigong Wang, Southeast University, China

Ning Xu, Wuhan University of Technology, China

➤ **Conference Co-Chairs**

Yufeng Guo, Nanjing University of Posts and Telecommunications, China
Letian Huang, University of Electronic Science and Technology of China, China

Weilin Xu, Guilin University of Electronic Technology, China

➤ **Program Chairs**

Zhikuang Cai, Nanjing University of Posts and Telecommunications, China
Junyong Deng, Xi'an University of Posts & Telecommunications, China

➤ **Program Co-Chairs**

Feng Liang, University of Electronic Science and Technology of China, China
Tangyou Sun, Guilin University of Electronic Technology, China

Jerry Chun-Wei Lin, Western Norway University of Applied Sciences, Norway

Haipeng Zhang, Shangrao Normal University, China

➤ **Students Program Chairs**

Mingjian Zhao, South China University of Technology, China

Huimin Liu, Tianjin University of Technology, China

Wenshan Zhao, Beijing Jiaotong University, China

Xueming Wei, Guilin University of Electronic Technology, China

Yasuo Watanabe, Institute of Electronics, Information and Communication Engineers (IEICE), Japan

More information, please view:

Submission Methods

1. Online Submission: <http://confsys.iconf.org/submission/wece2024>

2. Send directly to: wece@young.ac.cn

Submission Deadline: May 25, 2024

Topics (included but not limited)

Advanced VLSI Systems

Machine Learning and Artificial Intelligence

Artificial Immune System

Micro/nano-photonic Device

Broad Band Communication

Mobile and Optical Communication

Circuits and Devices

Mobile and Optical Networks

Communication and Information Processing

Nanophotonics, Quantum Optics and Quantum Information

Computer and Intelligent Communication

Network Security

Conditional Monitoring and Instrumentation

Optical Sensors

Electrical Engineering Communications

Optics and Optoelectronics

Electromagnetic and Microwave

Semiconductors

Embedded Wireless Systems

Wireless Communication

Fiber-based Devices and Applications

Wireless Sensor Networks

Conference Proceedings

All accepted papers after proper presentation and registration will be collected in **conference proceedings**, which will be included in **Digital Library** and indexed by *Scopus*, *Ei Compendex*, etc.

WECE 2022 has been published online and included in SPIE Digital Library, successfully indexed by EI Compendex and Scopus.

WECE 2023 has been published online and included in SPIE Digital Library.
